

AFM® – Advanced Funnel Mould

- | | |
|--------------------|--|
| Challenge | <ul style="list-style-type: none">• Improve thin slab quality• Lower copper weight• Increase lifetime |
| Solutions | <ul style="list-style-type: none">• Thin copper and adapter plate design• Water gap cooling design• Low stress AFM® mounting technology (KME patent) |
| Application | <ul style="list-style-type: none">• Thin slab casting |
