AIST TECHNOLOGY COMMITTEE AWARD NOTIFICATION

Date: 5 February 2019
To Authors: Tim Crothers, Nucor Steel Jackson Inc., Fleetwood MS, USA
Ian Bakshi, KME America Inc., Oak Brook, IL, USA
Committee: AIST Continuous Casting Technology Committee
Award: 2019 Continuous Casting Best Paper Award

Authors:

On behalf of the AIST Continuous Casting Technology Committee (CCTC), it is my pleasure to inform you of your selection as the recipient of the 2019 Continuous Casting Best Paper Award for your work entitled "WAVE Mold Results at Nucor Jackson Inc., Mississippi."

Established in 2005, this award is presented to the author(s) of a paper judged by the committee to be the best technical paper submitted.

AIST would like to present this award to you at AISTech 2019 in Pittsburgh, Pa., USA, on Monday, 6 May 2019 during the Continuous Casting Technology Committee lunch at noon. Feel free to contact Anna Voss, AIST Staff Engineer (avoss@aist.org), to discuss the award presentation and any questions you may have about this award.

Congratulations on being the recipient of this award!

Sincerely,

[Handwritten signature of Ronald E. Ashburn]

Ronald E. Ashburn, Executive Director
